Understanding the Concept: What Does "Beyond the Core" Really Mean?

Before diving into strategies, it?s essential to clarify what "beyond the core" entails. Traditionally, a company?s core business refers to its primary product or service?what it?s known for and where it generates most of its revenue. Venturing into new markets or product categories risks diluting your brand identity if not managed carefully.

- Resource Allocation

Expansion requires investment?financial, human, and operational. Misallocation can strain resources and impact existing operations.
