Before diving into the specifics of the Mercy Kill X-Wing, it's essential to understand the Star Wars Legends universe. This term refers to the expansive body of Star Wars stories, characters, and starships that were originally part of the Expanded Universe (EU) — a collection of novels, comics, games, and other media that elaborated on the galaxy beyond the films.

In 2014, Lucasfilm rebranded the EU as Star Wars Legends, clarifying that these stories are no longer part of the official Star Wars canon but remain a treasure trove of rich lore. Many starships,

The Mercy Kill designation is somewhat metaphorical, reflecting the ship's role in high-stakes, morally complex missions where decisive action was critical. Originally built as a modified standard T-65 X-Wing, the Mercy Kill underwent extensive customization to serve specific tactical purposes, making it a unique asset within the Rebel and later New Republic fleets.
