Best Practices:

- Use precise, unambiguous language
- Break down tasks into detailed activities

Components:

- Include early termination clauses with notice periods
- State grounds for termination (e.g., breach, insolvency, convenience)
- Address consequences of termination (e.g., final payments, return of property)

Expert Insight: Including a "termination for convenience" clause offers flexibility but may require notice periods and settlement of outstanding fees.

6. Confidentiality and Data Protection

Definition: Protects sensitive information shared between parties.

Best Practices:

- Define what constitutes confidential information

- Include clauses on data security and compliance with laws like GDPR
