The Origins of Pirate Radio in Britain

Historical Context

In the post-war years, the BBC dominated the airwaves, providing radio programming that was often conservative and limited in scope. With the rise of popular music genres like rock and roll, youth audiences sought stations that played contemporary hits not available on mainstream channels. This demand led to the emergence of unlicensed broadcasters operating from ships or remote locations.

These stations operated without licenses, often from ships anchored just outside UK territorial waters to bypass regulations.
