- The calendar's size and format may not be suitable for all environments; some found it too bulky for small spaces.

Comparison with Contemporary Alternatives

In the landscape of educational and astronomical calendars, several competitors exist, including:

- NASA's Space Calendar: Focused exclusively on space missions and celestial events, often with more technical detail.
- National Geographic's Earth Calendars: Emphasize environmental conservation and geographic diversity.
- Starry Night or Astronomy Magazine Calendars: Offer detailed star charts and observational tips.
