The primary objectives of this shift included:

- Ensuring fair and transparent seat allocation
- Optimizing the use of available engineering seats across the state
- Reducing the influence of capitation and donation-based admissions
- Simplifying the application and counseling procedures for students

Legal and Administrative Framework

The 2013 counseling was governed by the Gujarat Professional Technical Courses (Gujarat Admission to B.E./B.Tech) Rules, 2012, which mandated a centralized online process managed by ACPC. The process was designed to be inclusive, accommodating students from diverse educational backgrounds, including those from reserved categories.

- Candidate's preferences
- Category reservation criteria
- Seat availability at each institute and branch

The process involved multiple rounds:

- Round 1: Initial seat allotment
- Round 2: Upgradation based on remaining seats and preferences
- Spot counseling: For vacant seats after initial rounds

The algorithm prioritized merit and preferences, aiming to maximize seat utilization and student satisfaction.

Reporting and Admission Confirmation

Post-allocation, students had to:

- Report to the allotted institute within specified timelines
- Submit original documents for verification
- Pay the admission fee to confirm their seats

Failure to comply resulted in seat cancellation and the possibility of participating in subsequent rounds or spot counseling.
