The phrase suggests a paradox?while a woman may have to leave her own mother or personal identity behind to fulfill her role as a mother, she ultimately gains a new identity rooted in motherhood.

Historically, Indian culture has celebrated the divine mother figure, such as Goddess Durga,

Indian society has long emphasized the following expectations for women regarding motherhood:

- Prioritizing family and children over personal ambitions
- Being the primary caregiver for children and elderly family members
- Maintaining the sanctity of the household
