Core Plot and Central Conflict

The narrative centers around Mira, a young marine biologist whose fascination with mythological creatures leads her into a clandestine world. When she uncovers evidence of an ancient aquagorgon—an aquatic gorgon capable of turning victims to stone—her discovery triggers a series of events that threaten both the surface world and the depths below.

The story's main conflict revolves around Mira's quest to understand the true nature of the aquagorgon and prevent its destructive potential from falling into the wrong hands. Alongside her are allies including a rogue underwater explorer, a mysterious guardian of the sea, and a scholar specializing in mythic relics.
